ACHARYA

ACHARYA'S NR INSTITUTE OF PHYSIOTHERAPY

Affiliated to RGUHS

- Global-standard curriculum with opportunities for international healthcare immersion.
- Hands-on clinical experience through a dedicated in-house clinic and healthcare collaborations.
- Community outreach programs offering impactful, real-world physiotherapy practice.
- Practical training that integrates theory with hands-on applications beyond the classroom.
- Cutting-edge labs and a digital library for comprehensive learning resources.
- Holistic development with clubs, extracurriculars, and a focus on soft skills.

MASTERS IN PHYSIOTHERAPY (M.P.T) - NEUROLOGICAL SCIENCES

About

Acharya's NR Institute of Physiotherapy offers the ideal opportunity to advance your clinical skills, gain hands-on experience, and contribute to pioneering research in neurological rehabilitation. Our Master's in Neurological Sciences program equips you with the expertise needed to make a lasting impact in the field of neuro physiotherapy.

Career Scope

Graduating from our Master's program opens up a wide range of career possibilities. You can pursue a rewarding career in top-tier hospitals, private rehabilitation centers, specialized neuro-rehabilitation clinics, or even start your own private practice. The skills you gain will be in high demand, given the rising need for specialized neuro physiotherapists.

Opportunities in Research, Academia, and Teaching: If you are inclined toward academia or research, this program also paves the way for roles in teaching, research positions, or further studies at the Ph.D. level.

Global Career Scope: With neurological disorders on the rise globally, trained neuro physiotherapists are in high demand worldwide.

Eligibility

Passed BSc (PT) or BPT degree with at least 50% marks from a recognized university. Those who have completed BPT through bridge course, later entry after a diploma in Physiotherapy or completed a 6-month compulsory rotating internship from a recognized university can also apply.

Duration
2 years
